

# ISSF 10m & 50m FINALS

The 8 finalists must present themselves at the Preparation Area, and report to the Jury at least 20 minutes before the scheduled starting time, complete with all their shooting equipment needed for the final event.

The weights of the triggers of the finalists in the **10 m Air Pistol Events** must be tested before the commencement of the Finals – 6.16.2.1.

## Procedures summary for 10 & 50m FINALS:

	target	preparation time	sighters
<b>10m Air Pistol</b>	10M Air Pistol	Three (3) minutes	Five (5) minutes sighting time is allowed for unlimited sighters.
<b>50m Pistol</b>	25/50M Prec.		
For 50M Australian Conditions – sighting target below competition target			

### Ensure the range is clear of all personnel

- Allow the shooters to set up their equipment at the firing points
- When the shooters have occupied their bays:

#### **“PREPARATION TIME BEGINS NOW”**

- After three (3) minutes:

#### **“SIGHTING TIME START”**

- After 4 ½ minutes:

#### **“30 SECONDS”**

- After the full 5 minutes:

#### **“STOP”**

- After a pause of 30 seconds:

#### **“FOR THE FIRST/ NEXT COMPETITION SHOT – LOAD”**

- After about 5 seconds...

#### **“ATTENTION-3-2-1-START”**

- The shooter has 75 seconds in which to fire a shot.  
Five (5) seconds after the last shooter has fired, or immediately on termination of the shooting time:

#### **“STOP”**

- 10 m Air Pistols must be uncocked.
- Shooters may take sight pictures between shots, but must not dry-fire.

For 10m paper targets: **“CHANGE TARGETS”** Immediately after the command “STOP”

- the announcement of the shot values should start. 10 seconds after the immediate and final scoring of each shot and announcement of the results,
- the procedure above will be repeated until all 10 shots have been fired.

**Tied Scores** If two or more shooters are tied for any position at the completion of the 10-shot Final:

- The tie shoot-off will occur immediately after the final scores are determined and shooters other than those tied will retire from the firing line.
- Tied scores will be broken by a shot-for-shot shoot-off. The Finals tie-breaking will commence without delay and without additional sighting shots, one shot at a time, following the procedure for competition until ties are broken.
- If more than two places are tied, the lowest place tie will be broken first, then the next highest etc.

### **Malfunctions (6.14.6.3):**

If a shooter has a malfunction DO NOT attend to the shooter’s claim until the series is finished and the other shooters have been instructed and observed to “Unload”.

IF A MALFUNCTION OCCURS IN A COMPETITION SERIES:

- In the case of a non allowable malfunction no reshoot is allowed.
- For a breakage or cease to function, he can repair or replace his pistol or ammunition within three minutes after the malfunction has been declared allowable.

The scores of the other finalists on the line are not to be shown until the refire is completed for that malfunction. After that, all scores are shown together.
