EQUIPMENT CONTROL SUMMARY

These guides are specifically designed for general use by PA affiliated pistol clubs. They are intended to provide the minimum requirements for the proper conduct of competitions by Range Officials.

These guides do not include additional safety requirements that may be necessary for particular range facilities or circumstances. These additional requirements include:

- 'Local' rules (e.g. eye protection for all matches, covered footwear, etc.),
- The additional requirements for State and National Championships,
...nor do they replace:
- PA Range Officer qualifications, ASA Level 1 Officiating qualifications, or Affiliate Level 1 Accreditation,
- The need for Range Officers to be familiar with, and implement Range Standing Orders, Range Operating Plans, and the Standard Safety Procedures as applicable to the range.
